RE: Distribution of "Guide to Health Insurance for People  
with Medicare"

DA: October 2, 1989

Pursuant to T.C.A. Section 56-7-1401 et seq., the 1990 "Guide to Health Insurance for People With Medicare" must be distributed to all prospective applicants of Medicare supplement insurance.

You may purchase the Guide by calling 202/783-3238, or you may purchase the page negatives directly from the U.S. Government Printing Office by calling 202/275-8099. You may also reproduce the Guide, but if you do so, the Guide must conform to the following requirements:

1. The text of the Guide shall be, at a minimum, in 10-point type (except the listings and schedule of benefits).
2. The language in the text shall be current, i.e. it must reflect the 1990 changes prescribed by NAIC and HCFA.

Failure to distribute the Guide in accordance with these specifications will subject the company to appropriate administrative sanctions.
